The Charity for Civil Servants

[The Charity for Civil Servants](#) [1] supports all civil servants, past and present, throughout their lives. We listen without judgement, offer practical, financial and emotional support that helps to deal with life's challenges. Here since 1886 – you may have known us as the Civil Service Benevolent Fund, we changed our name in 2012. We're proud sponsors of this award category and providers of support that helps reduce anxiety and improves [wellbeing](#) [2].
